**Special Instructions For Patients**

You have been referred for specialized care to an Oral and Maxillofacial Surgeon. Our office will make every effort to make your visit with us a comfortable experience, Please assist us by providing the following information at the time of your consultation:

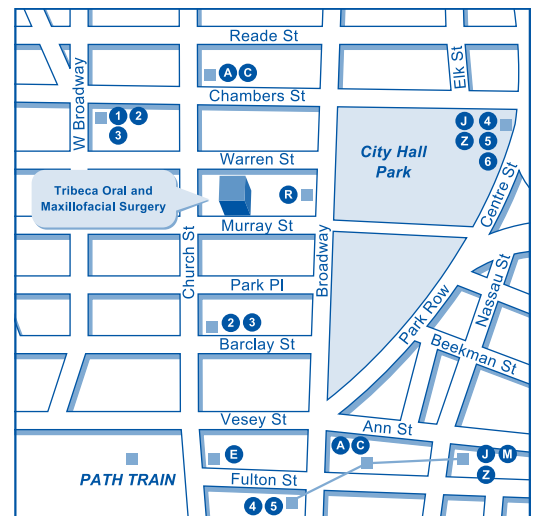

- Your surgical referral slip and any x-rays, If applicable
- A list of medications you are presently taking
- If you have medical or dental insurance, bring the necessary completed forms. This will save time and allow us to help you process any claims.

**IMPORTANT:** All patients under the age of 18 must be accompanied by a parent or legal guardian at the consultaion visit.

- A pre-operative consultation and physical examination is mandatory for patients undergoing IV general anesthesia for surgery

- Please alert the office if you have a medical condition that may be of concern prior to surgery (i.e. diabetes, high blood pressure, artificial heart valves and joints, rheumatic fever).

-Our office is determined to address any concerns you may have about your appointment.
